This is what you had to say...

“The best I have ever used – excellent quality,
easy to care for and makes dentistry fun.”

GS + 42-12, OVIEDO, FL. USA.

“Excellent service, training and response.
Very few needs – but when **we call you respond quickly.**”

IM3 SERVICE, WICHITA, KS. USA.

“There is no comparison!! Our old unit was one speed, tortuous slow and the iM3 unit introduced us to the concept of high speed drills and water! The ultrasonic scaler also made a huge difference to the way we performed dentals and the results were spectacular – clean smooth teeth.”

PRO2000, GS AND 42-12, CANBERRA VET HOSPITAL, AUS.

“Faster, easier to use, quieter, less tooth damage, in a class of its own compared to anything else!”

42-12, UTAH USA.

“Workhorse – has provided quality service to the CT centre.
Used 8 hours per day for all intradisciplines of dentistry.”

PRO 2000, MILFORD, CT. USA.

“The iM3 is superior in every way – the handpieces are of much higher quality, the CLS flush system gives me piece of mind – NO COMPARISON!!”

PRO2000 AND 42-12, CARBONDALE, CO. USA.

“The **42-12 is much better** as it **greatly reduces** the **time for scaling**; it is more gentle on the enamel and is less cumbersome” (no foot pedal)

PRO 2000 & 42-12 GORDON VETERINARY HOSPITAL, NSW AUSTRALIA.

“A wonderful improvement! I love the **fibre optic handpiece** and the techs **love the ease of use** of the scaling and polishing aspects.”

PRO 2000, KENTWOOD, MI. USA.

“Our techs fought over who got to use the iM3 so we had to **buy a second one!**”

PRO2000, OXFORD, OH. USA

“Cannot compare – **Unbelievable!!!!**”

PRO 2000, WICHITA, KS. USA

“Much **better**, last longer, **faster** to do and **easy** extractions, cleaner to the mouth”
