Trade Marks Practitioner – Sydney

Phillips Ormonde Fitzpatrick has been at the forefront of intellectual property law in Australia since its establishment in 1888. The firm has offices in Melbourne, Sydney and Adelaide. An excellent opportunity exists to join the POF Group.

This is a unique role for an entry-level Trade Marks professional perhaps with some IP experience and a law degree.

As a mature self-starter, you will demonstrate exceptional client relationship skills in working with a large existing local client base, whilst also taking up the challenge of continuing to develop the practice.

Your advanced time management skills and enthusiasm for IP will ensure your satisfaction in undertaking IP studies to attain Trade Marks Attorney registration (where required) and to undertake further developmental activities.

A robust and confident approach to the diversity of working in a small office team environment, whilst liaising with the broader Trade Marks team interstate, will ensure your success.

Apply now! Please forward your CV and covering letter in confidence to:

Applications close Friday December 18. Inquiries should be directed to the People & Development Manager on 03 9614 1944.
